We are asking parents NOT to use the driveway as a drop off zone. This causes congestion and a possible danger to the students.

Mana Kidz Programme

Kia ora, my name is Merlynn Lemanu and I am the Kaiarahi of the Manukau Programme within your school. Mana Kidz is a free nurse-led school based programme that provides comprehensive healthcare for children in the Counties Manukau health region. We aim to tackle strep throat in tamariki and treat sore throats as early as possible to prevent a sore throat escalating into rheumatic fever.

As Kaiarahi my role includes:

- Being within your school Monday to Friday
- Class checks twice a term on tamariki (start of term and middle of term). This means coming into your classroom at an appropriate time and doing simple checks on each child. This check includes weighing of child, looking at throats and if a sign of concern swabbing child for strep throat.
- Swabbing tamariki for strep throat
- Assessing any type of skin infections / sores / eczema
- Assessing concern of headlice
- Referrals to our Nurse for any other health concerns

I will be present within your school but I am also happy to come in for any self-IDs for the above concerns: Monday (12.00pm - 2.30pm), Tuesday (8.30am - 12pm), Wednesday (8.30am - 2.30pm), Thursday (8.30am - 2.30pm) and Friday (9.30am - 13.00pm and 13.00pm- 2pm). I am excited to work alongside you and am happy to help with any concerns.

T.E.A.M. 12

T.E.A.M. 12 has thoroughly enjoyed watching our Kiwis In Action as they 'Earn the Fern' at the Commonwealth Games. "The female athletes' eyes are focused, as they are pumping their arms, pushing their bodies and sprinting their hearts out to make those supporters really proud" Shanayah. We looked at persuading our readers over the controversy surrounding Ellesse Andrews. "Ellesse Andrews did not deserve to receive a Silver Medal because she left her teammates after cycling two laps of the race and if she had stayed they could've won Gold. She didn't 'Earn the Fern'" Taj.

We have enjoyed a beautiful celebration of Cook Island Week learning about Tivaevae. Some of our girls have shared their own personal experiences of how very special this tradition is and how revered their Tivaevae bedspreads are to their ngare, (whanau). They are now working on creating their own designs for the art exhibition in Week 8.

Strengthening our aerobic fitness has seen us cycling lots! We now turn our focus on preparing for the North Counties Basketball on the Friday of Week 8.
