15 November

Kelvin Road School Senior Leadership Team Request

The Senior Leadership Team would like the assistance of parents and caregivers to ensure students do not bring permanent markers to school. There is a current trend with students drawing and writing on themselves and each other with vivid markers. We would like to put a stop to this as it negatively impacts them, the children around them and their environment. These markers are not available from school so we ask for your support, in not allowing your children to bring them to school.

Welcome and News

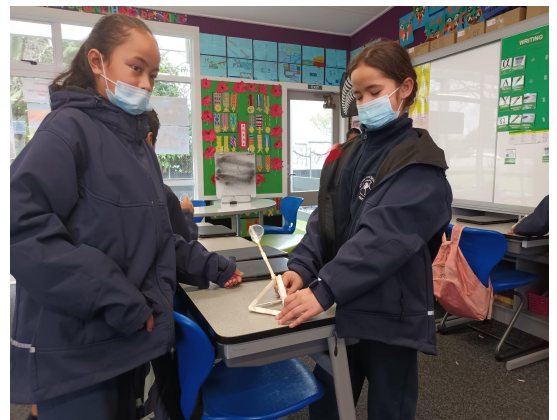

Kelvin Road School extends a warm welcome to David Pepe John. Dave is honoured to be the new SWiS (Social Worker in Schools) at Kelvin Road School. SWiS is a programme designed to support children to thrive at home and at school, with the hope of better outcomes. His usual days at the school will be Tuesday, Wednesday and Thursday. Feel free to contact Dave on 027 213 4465, or the school if you have any enquiries.

Congratulations go to Room 10 Teacher Misty Bettridge. Misty has won the position of Across School Leader for the Papakura Kāhui Ako (Community of Learning). The role entails working three days per week in her classroom and two days per week with the other schools in our Kāhui Ako.

We welcome Dinky Hofman to the team to support Misty and the Room 10 students on a Monday and Tuesday each week. Dinky is very excited to be teaching at Kelvin Road School. Originally from South Africa, she has lived in New Zealand for 28 years. Dinky lives locally and brings a wealth of teaching experience. She has three children and two grandchildren. She loves going to the cinema, reading, the theatre and spending time with her family.

News from Room 19

Room 19 has been learning about various simple machines that have been used over the last few centuries. These included wheels, axles for windmills and pulleys to pull heavy objects up. Many of these simple machines are used today which many of us do not realise, such as screws and wedges. We created a catapult to fire at a target over many distances and we had a great deal of fun with many of the challenges. These simple machines definitely make our lives much easier.

If you would like to report an absence please call 092988417 (press 1 for absences) Or text 021 0868 7680

Parking

We are asking parent/caregivers NOT to use the driveway as a drop off zone.
This causes congestion and a possible danger to the students.

Relief Cleaners Required

We are looking to employ Casual Cleaning Staff who are able to work as relief cleaners when our permanent cleaners are absent.

The hours are 1:15 pm to 3:30 pm weekdays during term time.
Job training will be given and a clear police vetting result will be required.

If you are interested, please email us at vacancy@krs.ac.nz
or pop into the school office to speak to Mel our Executive Officer.

Life Education Van

The Life Education van is currently at school and will remain with us until Friday 29 October. Please ask your child what they have learned.

Dental Van

The Dental Van will be at KRS from Monday 31 October to Friday 25 November

Community Notice

St Mary's Catholic School Mini Gala

Sunday 20 November 2022

10:30 am to 2:00pm
