Room 2

Room 2 has been having such a great time learning so many different things!

For example, Culture groups, Cross Country, Kaumatua Day and they have been involved in Gymnastics at the Bruce Pulman Centre.

Harold from the Life Education Bus also came to visit us to teach us about healthy foods which lead to our study about where our food comes from and the process it goes through to get to the supermarket. The children are so excited to be at school and ask me every day what exciting activities will be happening.
