## Room 14

The coaches from Counties Manukau Sport came to Kelvin Road School to teach us Athletics. We learnt to aim, hold and throw shot put correctly in one of the sessions.

This term under the curriculum area of Technology, we are learning about Shelters. Room 14 children designed and constructed three-dimensional miniature models of houses using sticks, paper and cardboard. They developed both their skills in exploring materials used in making houses and understanding the attributes of a functional prototype of a house.

# Weet-Bix Kids TRYathlon

Kelvin Road School students attended the Weet-Bix Kids TRYathlon at Mountfort Park, Manurewa. All students swam 100m, biked 4-8km and ran 1.5km. Each student received a really great medal at the finish line.

We were very delighted with the amazing sportspersonship and everyone TRYing their best.

Thanks to Mr Warren, Whaea Lisa and Whaea Elizabeth for supporting our team on the day.

Our students were also lucky enough to be on live tv for TVNZ Breakfast. Click on 2:12:00 to view our students.
