School Students
are welcome

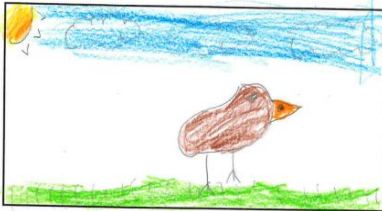

12.6.19

blue
beak
black
wings
red
beak
long
skinny
legs

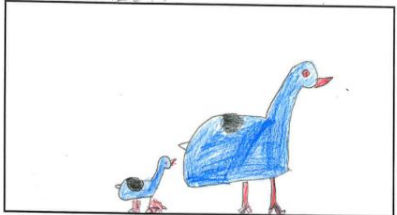

The Pukeko is a bird.
It has long skinny
legs. They eat grass and
insects. They have black
wings and a blue breast.
Baby Pukekos are called
chicks. They live in a swamp.
By Mana

Kiwi birds eat worms and
crickets. They can run fast.
They have long beaks and they
can dig with their beaks.
Kiwi birds have soft wings.
They sleep at night time
and they hunt for food
at night time that means they
are nocturnal.
By Tina

Room 21 have
been studying
New Zealand
Native animals
this term.

12.6.19

A pukeko is a bird they
have long skinny legs and
black feathers and they lay
baby chicks. They have big
red beaks and they eat
insects.
By Willow

An eel looks like a snake
and a worm. Eels have sharp
teeth. They are skinny and
long. Eels eat fish and worms.
Eels hide in holes.
By Tyler

In Term 3 we will be trialling a new initiative from KidsCan who will provide us with hot meals for those children that require lunches. We will initially be running this one day a week and will require volunteers to help manage it. If this is something you can help the school with please contact the office on (09) 298 8417.

Measles is now spreading in South Auckland

There are now 93 cases of measles across Auckland, 17 of which are in South Auckland. Our priority now is protecting our vulnerable patients from further exposure to suspected measles cases in the hospital. Measles is one of the most infectious diseases that can be [life threatening](#). Now is more important than ever to make sure you and your Whanau are immunised.

We have had a busy week of sport this week with both the Year 7 and 8s and the Year 5 and 6s going to Winter Sports Days. The 7 and 8s participated in Football on Tuesday and played their little hearts out. It's fair to say they were outclassed but they certainly didn't give up! The 5 and 6s participated in both Football and Ripa Rugby on Wednesday, with a successful day for both codes. The majority of games were won and a great day was had by all. A special thanks to Matua Selwyn and Whaea Colette for your help on the day and a huge thanks to the many whanau members who came along to support our tamariki :)

We currently have quite a few second hand school jumpers for sale. They are \$10 each. The majority are small sizes (mostly size 6) but we do have a few of the other sizes as well. First in first served, we can not hold any. Please see the school office if you would like one. We also have assorted sizes in the polar fleece sleeveless vests for \$5 each
