### A warm welcome back to all of our tamariki and their whānau for Term 4.

We hope you all enjoyed your holiday and are so pleased that you are with us for another incredible term of learning at Kelvin Road School. We also warmly welcome all new tamariki and their families, we look forward to supporting their learning journey.

We would like to give a friendly reminder that our students attendance at Kelvin Road School is important to support their learning. We had 87% attendance on Wednesday 16th October 2024 which is wonderful and we look forward to seeing this improve to our 90% target.

Our roll has significantly increased, we are now over 500 students strong this year!

**In Room 19** were learning about waterways and streams with Whitebait Connection. We tested the pH levels for a local stream, measured the water temperature, looked at small creatures under a microscope and checked the clarity of water. Our world is an amazing place that we need to protect and care for.
