Head Lice

We have noticed some of our tamariki may have head lice. Working together helps us protect all our tamariki. To prevent your child from getting head lice, please check their head often by combing through wet hair with a fine-toothed comb and treating if necessary. Head lice shampoo treatment and combs are available from the school office, thanks to KidsCan.

Room 12 did a splendid performance for Diwali and enjoyed learning about other cultures. They made rangoli patterns and also made paper diyas 🪔. Together with Diwali, they did Halloween Art and made face masks. We had 4 weeks of Gymnastics and Room 12 looked forward to every lesson because the lessons were really interesting and engaging. Bravo Room 12. You are All Awesome.

Swimming began in week six of this term, and the children are thrilled to jump into the pool, enjoying the warm days of late spring. The students in Room 14 take full advantage of the three weekly swimming days to develop and enhance their swimming skills in the school pool, fostering their growth and confidence.
